# Muhammad Nur Alim

Student at Universitas Negeri Semarang  
Indonesia

## Summary

Hi My Name is Muhammad Nur Alim. Currently I am studying in Universitas Negeri Semarang, in mathematics major. I have experience in coding with python, javascript and php. I learn how to code in college and self-taught. I am really interested in Data science and Web Developer. I usually learn about ML from Kaggle I do a lot of code there and take their free course. I learn about Web Dev by watching online course and reading documentation. I love doing project that combine both of ML and Web dev.
